

## MARY P. TRUXAW

University of Connecticut, Neag School of Education  
Department of Curriculum & Instruction  
249 Glenbrook Road, Unit 3033  
Storrs, CT 06269

Phone: (860) 486-2880  
Fax: (860) 486-0280  
Email: mary.truxaw@uconn.edu

Dr. Mary Truxaw is an Associate Professor of Mathematics Education in the Department of Curriculum & Instruction in the Neag School of Education. Her primary research interests center on the intersection of mathematics education and language – with particular emphasis in how classroom discourse can support mathematical meaning making. Mary has worked on a number of research and professional development projects to support mathematics teachers – for example, the Math Learning Discourse project, Math ACCESS project, Math Leadership Academy, Bridging Math Practices project, and Co-teaching and Math Discourse in Linguistically Diverse Classrooms project. Mary was named a Teaching Fellow at the university, the highest honor awarded for instructional excellence and leadership. Before earning her Ph.D., Mary was a public school teacher in Connecticut, New York, and California where she developed her love for and curiosity about teaching and learning of mathematics.

### EDUCATION

**Ph.D., Curriculum and Instruction** (emphasis in mathematics education), University of Connecticut, Storrs, 2004  
Dissertation: *Mediating Mathematical Meaning Through Discourse: An Investigation of the Discursive Practices of Middle Grades Mathematics Teachers*

**M.S., Education** (emphases in alternative and multicultural education), University of Southern California, Los Angeles, CA, 1979

**Mathematics and Computer Coursework**, California State Polytechnic University, Pomona, CA 1987-1988

**Computer Graphics and Illustration Coursework**, Art Center College of Design, Pasadena, CA, 1983-1985

**B.A., Social Ecology** (Cum Laude), University of California, Irvine, CA, 1977

### UNIVERSITY AND COLLEGE EXPERIENCE

**Associate Professor, Mathematics Education (tenured August 2011)** (2011-present)  
**University of Connecticut, Storrs, Connecticut**

Participate in scholarly activities related to mathematics education and teacher education on the local, state, national, and international levels. Co-PI on research projects including: *Co-teaching and Math Discourse*, *Math Leadership Academy* (MLA), *Math ACCESS*, and *IMPACT* (Impact of Math Pedagogy and Content on Teaching). Serve as advisor to graduate and undergraduate students. Instruct undergraduate and graduate courses. Supervise pre-service teachers in K-12 school placements. Serve on school and departmental committees, task groups, and research teams. Responsible for writing 2015 CAEP Elementary Education SPA (Specialized Professional Association) report (nationally recognized with no conditions).

*Courses taught:* EDCI 6094: Doctoral Seminar in Curriculum and Instruction: Theoretical Frameworks and Language; EDCI 6415: Research in Mathematics Education; EDCI 4115: Elementary Mathematics Methods; EDCI 5460: Teaching and Learning Mathematics in the Elementary School; EDCI 5094: Master's Seminar; EDCI 5092: Master's Practicum; EDCI 5830: Curriculum Laboratory: Math Content and Leadership; EDCI 5830: Curriculum Laboratory: Algebraic and Proportional Reasoning – Content and Pedagogy; EGEN 4110: Analysis of Teaching

**Assistant Professor, Mathematics Education** (2005-2011)  
**University of Connecticut, Storrs, Connecticut**

Participated in scholarly activities related to mathematics education, teacher education, and new literacies on the local, state, national, and international levels. *Math Leadership Academy* (MLA), *IMPACT* (Impact of Math Pedagogy and Content on Teaching) Project, *Math ACCESS* (Academic Content and Communication Equals Student

Success) Project, *Math Learning Discourse* Project, and *Reading and Writing to Learn with the 'New Literacies'* Project. Served as advisor to graduate and undergraduate students. Instructed undergraduate and graduate courses. Supervised pre-service teachers in K-12 school placements. Served on school and departmental committees, task groups, and research teams. Participated in successful NCATE accreditation process (2010).

*Courses taught:* EDCI 4115: Elementary Mathematics Methods; EDCI 5460: Teaching and Learning Mathematics in the Elementary School; EDCI 5092: Master's Seminar; EDCI 5094: Master's Practicum; EDCI 5450: Teaching and Learning Mathematics in the Secondary School; EGEN 4100: Methods of Teaching; EDCI 5094: Current Issues in Mathematics Education (Doctoral Seminar); EDCI 5465: Teaching and Learning Mathematics in the Middle School; EDCI 4210W: Secondary Mathematics Methods; EGEN 3110W: Seminar/Clinic: The Student in the School Context.

**Assistant Professor in Residence (2004-2005)**  
**University of Connecticut, Storrs, Connecticut**

Instructed undergraduate and graduate courses. Supervised pre-service teachers in K-12 school placements. Served as advisor to undergraduate students. Served on school and departmental committees and task groups.

*Courses taught:* EDCI 222: Teaching Mathematics in the Elementary School; EDCI 410: Doctoral Seminar: Current Issues in Mathematics Education; EDCI 363: Teaching and Learning Mathematics in the Elementary School; EDCI 351: Teaching and Learning Mathematics in the Secondary School; EDCI 266: Instruction and Curriculum in the Secondary School Mathematics; EGEN 296: Methods of Teaching

**Professional Development Center Coordinator (2001-2003)**  
**University of Connecticut, Storrs, Connecticut**

Coordinated collaborative partnership between the Neag School of Education and Professional Development Center (PDC) sites. Organized and conducted meetings related to PDC partnership, NCATE accreditation, grants, and pre-service and in-service teacher orientation. Served as instructor for seminar courses in Integrated Bachelor's/Master's (IB/M) Teacher Preparation Program. Supervised pre-service teachers in K-12 school placements.

*Courses taught:* EGEN 294: The Student as Learner; EGEN 295: The Student in the School Context; EGEN 296: Methods of Teaching; EGEN 297: Analysis of Teaching

**Instructor/Assistant Director, Computer Education (1985-1988)**  
**Art Center College of Design, Pasadena, California**

Served as instructor for computer literacy and computer graphics courses. Co-administrator for college-level computer graphics program. Duties included curriculum development, staff selection and supervision, grant solicitation, laboratory acquisitions, and fiscal planning.

**K-12 TEACHING EXPERIENCE**

**Middle School Teacher (1994-2001)**  
**Mansfield Public Schools, Storrs, Connecticut**

Developed curriculum and provided instruction in mathematics, reading, language arts (1995-2001). Administered middle school computer education program (1994-1995); co-taught with and provided professional development for teachers. Served as *Beginning Educator Support and Training* (BEST) mentor for novice teachers, as well as cooperating teacher for K-8 pre-service teachers. Served on school district's Mathematics Curriculum Council and Technology Committee.

**Mathematics Teacher (1988-1994)**  
**Ithaca City School District, Ithaca, NY**

Managed middle school mathematics support program, collaborating with faculty to integrate remediation and enrichment into the mathematics curriculum. Evaluated individual learning needs, developed educational plans, provided instruction, and documented academic progress of students.

(1980-1983)

### **Coordinating Teacher**

#### **Los Angeles Unified School District, Los Angeles, California**

Coordinated programs and taught students in urban alternative and continuation schools, including a pilot drug-abuse project. Established and administered high school equivalency program for an adult vocational skill center. Participated in curriculum design, financial planning and staff selection activities.

### **Teacher Corps Intern**

(1977-1979)

#### **Los Angeles Unified School District, Los Angeles, California**

#### **University of Southern California, Los Angeles, California**

Participated in a government-sponsored teaching internship that coupled university coursework with practical experience working in a public, urban alternative school. The program emphasized alternative, multicultural, urban education and community involvement.

### **AWARDS/HONORS**

**University of Connecticut Teaching Fellow Award.** Institute for Teaching and Learning, University of Connecticut, 2014-2015.

**Outstanding Undergraduate Student Advisement and Advocacy Award,** University of Connecticut, nominated (not awarded) 2008 and 2009

**Outstanding Doctoral Student Research Award,** Neag School of Education, University of Connecticut, 2004

**Doctoral Dissertation Fellowship,** University of Connecticut Research Foundation, 2004

**Graduate Student Fellowship,** Department of Curriculum & Instruction, University of Connecticut, 2002 & 2003

Keogh, J., Gloster, T., **Truxaw, M. P.**, Mandancy, C., & Mantilia, D. (2018, June). Improving student learning in mathematics. *Performance Matters: News from the CSDE Performance Office*, 3(4), 2 & 4-6.

**Truxaw, M. P.**, & Rojas, E. (2014). A mathematics educator's journey to understanding challenges and affordances of learning mathematics in a second language. *Journal of Urban Mathematics Education* 7(2), 21-30.

Staples, M. E., & **Truxaw, M.P.** (2006). The curriculum focal points: NCTM's next steps towards coherent, rigorous mathematics curricula. *Associated Teachers of Mathematics in Connecticut Newsletter*, Fall 2006.

**Truxaw, M. P.** (2005). Orchestrating whole group discourse to mediate mathematical meaning. TERC Documents. Paper 2. [http://digitalcommons.uconn.edu/terc\\_docs/2](http://digitalcommons.uconn.edu/terc_docs/2). 1189 full-text downloads as of 7/16/2014.

## INVITED AND MISCELLANEOUS PRESENTATIONS

**Truxaw, M. P.** (2018, December). *Examinations of Student Work*. Facilitated discussion group as part of Connecticut Council of Teachers of Mathematics (CCLM) Fall 2018 Event, Cheshire, CT.

**Truxaw, M. P.** (2017, December). *Fostering a Growth Mindset in Mathematics*. Facilitated discussion group as part of Connecticut Council of Teachers of Mathematics (CCLM) December 2017 Event, Central Connecticut State University, New Britain, CT.

**Truxaw, M. P.** (2017, February). *Dialogic Discourse and Standards for Mathematical Practice in Linguistically Diverse Elementary Mathematics Classrooms*. Presented at Neag School of Education Mathematics Education Seminar, University of Connecticut, Storrs, CT.

Liner, K. & **Truxaw, M. P.** (2017, February). *Improving Smarter Balanced results through sound practice*. Co-facilitated discussion group as part of Connecticut Council of Teachers of Mathematics (CCLM) Winter 2017 Event, Central Connecticut State University, New Britain, CT.

**Truxaw, M. P.** (2017, February). *Fostering a growth mindset*. Facilitated discussion group as part of Connecticut Council of Teachers of Mathematics (CCLM) Winter 2017 Event, Central Connecticut State University, New Britain, CT.

Levine, T. & **Truxaw, M.** (2016, March) *What role do—and what role should—colleagues play in a teacher's life? Promoting learning communities*. Workshop presented as part of Fulbright Program for German teachers to learn about Diversity in U.S. Schools.

Wakeman, W., & **Truxaw, M. P.** (2016, February). *Implementing the Practice Standards (Elementary)*. Co-facilitated discussion group as part of Connecticut Council of Teachers of Mathematics (CCLM) Winter 2016 Event, Central Connecticut State University, New Britain, CT.

**Truxaw, M. P.** (2015, January). *Talk moves to enhance discussion and student thinking*. Presented as part of seminar

series by Institute for Teaching and Learning, University of Connecticut.

**Truxaw, M. P.** (2009, March). *Mathematics ACCESS Project and Implications for Assessment*. Guest speaker for EDCI 5765, Assessment of Bilingualism.

Staples, M. E., & **Truxaw, M. P.** (2008, November). *Mathematics ACCESS: Academic Content and Communication Equals Student Success*. Presented as part of faculty colloquium series sponsored by Center for Research in Mathematics Education. University of Connecticut, Storrs, CT.

**Truxaw, M. P.** (2006, April). *Exploring connections between classroom discourse and non-routine routine mathematical problem solving*. Presented to faculty of the Neag School of Education as part of the “Works in Progress” series. University of Connecticut, Storrs, CT.

Hartman, D. K., Leu, D. J., Olson, M. R., & **Truxaw, M. P.** (2006). *Reading and writing to learn with the ‘new literacies’: Preparing a new generation of teachers and researchers to develop literate American adolescents*. A research presentation to the Adolescent Literacy Preservice Initiative of the Carnegie Corporation, New York City, NY.

**Truxaw, M. P.** (2007, December). *Mathematics in the making: Mapping the discourse in Pólya’s “Let us teach guessing” lesson*. Presented as part of faculty colloquium series sponsored by Center for Research in Mathematics Education. University of Connecticut, Storrs, CT.

**Truxaw, M. P.** (2005, October). *The border problem: One method of analysis*. Presented to the Discourse Discussion Group at the North American Chapter of the International Group for the Psychology of Mathematics Education 27<sup>th</sup> Annual Conference, Roanoke, VA.

Panelist (2005, November). *Sharing Faculty Research*. Presented current research projects to Neag School of Education Alumni Association. University of Connecticut, Storrs, CT.

## **GRANT RELATED EXPERIENCE**

**2018, Small Research Grant Program, Spencer Foundation** (submitted 4/24/2018, not funded)

**Truxaw, M. P.**, & Eckert, R. D. (Co-PIs). *Co-Teaching and Mathematical Discourse: Exploring Innovative Intersections to Support Students and Teachers in Culturally and Linguistically*, \$49,950 requested.

**2017, Scholarship Facilitation Fund, Office of the Vice President for Research, University of Connecticut**

Eckert, R. & **Truxaw, M. P.** (Co-PIs). *Co-Teaching and Mathematical Discourse: Exploring Innovative Intersections to Support Students and Teachers in Culturally and Linguistically*, \$1545.

**2015-2017, Dean’s Research Incentive Award, Neag School of Education, University of Connecticut**

Eckert, R. & **Truxaw, M. P.** (Co-PIs). *Co-Teaching and Mathematical Discourse: Exploring Innovative Intersections to Support Students and Teachers in Culturally and Linguistically Diverse Classrooms*, \$8785.

**2015, National Science Foundation** (submitted, but not granted)

Anagnostopoulos, D., Firestone, W., Donaldson, M., & **Truxaw, M.** (Co-PIs). *Collaborative Research: Teachers’ Use of Evaluation Data to Support Reform Oriented mathematics Instruction*. \$1,526,793.

**2014, SHARE (Social Science, Humanities, and Arts Research Experience) Award, Office of Undergraduate Research, University of Connecticut.**

**Truxaw, M. P.**, & Muchin, B. (Faculty mentor and undergraduate mentee). *Discourse in Linguistically Diverse Mathematics Classrooms*. \$2000 (faculty stipend, \$500; undergraduate stipend: \$1500).

**2013, SHARE (Social Science, Humanities, and Arts Research Experience) Award, Office of Undergraduate Research, University of Connecticut.**

**Truxaw, M. P.**, & Giegerich, C. (Faculty mentor and undergraduate mentee). *Discourse in Linguistically Diverse Mathematics Classrooms*. \$2000 (faculty stipend, \$500; undergraduate stipend: \$1500).

**2011-2012, Connecticut State Department of Higher Education, Teacher Quality Partnership Grant**

**Truxaw, M. P.**, Staples, M. E., & Cardetti, F. (Co-PIs). *UConn Math Leadership Academy*, \$381,130.

**2011-2012, Teachers for a New Era (TNE), University of Connecticut**

Cardetti, F. & **Truxaw, M. P.** (Co-PIs). *Project IMPACT: Impact of Mathematics Pedagogy and Content on Teaching*, \$5000.

**2010-2011, Teachers for a New Era (TNE), University of Connecticut**

Cardetti, F. & **Truxaw, M. P.** (Co-PIs). *IMPACT (Impact of Mathematics Pedagogy And Content on Teaching)*, TNE graduate research assistant support.

**2009-2010, Connecticut State Department of Higher Education, Teacher Quality Partnership Grant**

**Truxaw, M. P.**, Staples, M. E., & Levine, T. H. (Co-PIs). *ACCESS (Academic Content and Communication Equals Student Success)*, Co-PI, \$143, 077 requested; offered \$105,000. Grant proposal was termed one of the top two in the pool, but awarded only \$105,000 due to revised guidelines on use of funds. The PIs determined project was not feasible with changed guidelines and reduced funding, and declined the grant.

**2008-2009, Connecticut State Department of Higher Education, Teacher Quality Partnership Grant**

Staples, M. E., & **Truxaw, M. P.** (Co-PIs). *ACCESS (Academic Content and Communication Equals Student Success)*, \$104,512.

**2007, University of Connecticut Research Foundation, Faculty Small Research Grant**

**Truxaw, M. P.** (PI). *UConn Mathematics Learning Discourse Project*, \$995.

**2006-2007, Teachers for a New Era (TNE), University of Connecticut**

Casa, T. M., & **Truxaw, M. P.** (Co-PIs). *Preservice teachers' Confidence of Evidence-based Decisions*, \$500.

**2006-2007, Teachers for a New Era (TNE), University of Connecticut**

Casa, T. M., & **Truxaw, M. P.** (Co-PIs). *Two Educators' Collaboration Supporting Preservice Teachers in Conducting Educational Research*, Co-PI, in kind support.

**2006-2007, Neag School of Education, University of Connecticut**

**Truxaw, M. P.** (PI). *Investigating and Promoting Problem Solving and Mathematical Discourse in Urban Settings* Faculty Research Grant, \$10,000.

**2006, U.S. Department of Education, Institute of Educational Sciences** (submitted, but not granted)

Hannifin, R., Swaminathan, H., McGuire, J., **Truxaw, M.** (Co-PIs). *Adaptive Instruction, Adaptive Assessment: Making Inductive Geometry Accessible for All Learners*, Mathematics and Science Special Education Research Grant, \$1,450,066.

**2005-2007, Carnegie Corporation of New York**

Hartman, D. K., Leu, D. J., Olson, M. R., & **Truxaw, M. P.** (Co-PIs). *Reading and Writing to Learn with the 'New Literacies': Preparing a New Generation of Teachers and Researchers to Develop Literate American Adolescents*, \$100,000.

**2005, Mathematical Association of America** (submitted, but not granted)

Cardetti, F., & **Truxaw, M. P.** *PMET (Preparing Mathematicians to Educate Teachers) Mini-Grant* submitted in conjunction with Mathematics Department at the University of Connecticut, \$5000.

**2003-2004, University of Connecticut Research Foundation**

**Truxaw, M. P.** (PI). *Doctoral Dissertation Fellowship*, \$2000.

**2003, University of Connecticut Research Foundation**

**Truxaw, M. P.** (PI). *Doctoral Dissertation Extraordinary Expense Award*, \$500.

**2003, Neag School of Education, University of Connecticut**

Provided input to \$5 million Carnegie grant review process as a Professional Development Center Coordinator and graduate student.

## CONSULTING EXPERIENCE

**Consultant**

2016-present

Greenwich Public Schools

Develop and provide mathematics education professional development workshops for K-12 public

school teachers. Topics include mathematical discourse, number talks, growth mindset, and cooperative problem solving.

**Consultant** 2018  
**Mansfield Public Schools, Storrs, Connecticut**

Develop and provide mathematics education professional learning workshop for paraprofessionals.

**Consultant** 2015  
**Sacred Heart University, Fairfield, Connecticut**

Reviewed and offered feedback on accreditation materials for elementary education program.

**Consultant** 2005  
**Mansfield Public Schools, Storrs, Connecticut**

Served as a mathematics teaching coach for beginning mathematics teacher. Observed lessons and provided feedback. Consulted on mathematics teaching strategies and lesson and unit planning.

**Program Evaluator** 2002  
**Urban Collaborative Accelerated Program, Providence, RI**

Conducted an independent evaluation of an alternative middle school. Collected, analyzed, and interpreted qualitative and quantitative data to provide evidence of effectiveness of educational practices with at-risk students.

**Consultant** 1985 - 1987  
**California Institute of Technology, Small System Specialists, Computer Training Consultants, Bourke-Arnold Enterprises, Courseware, Inc.**

Developed and produced instructional materials and graphics for computer-based training programs. Served as computer-animation assistant on the “Mechanical Universe” project, a physics education series.

## SERVICE

### University-wide Committees, University of Connecticut:

Provost’s Library Advisory Committee, member 2010-present

### Neag School of Education, University of Connecticut

#### Committees

Elementary Education Program Coordination Committee, member 2018-present

Neag Assessment Committee, member 2009-present

EDCI Elementary Education Graduate Admissions Committee, chair (2011-2012) & member 2006-present

EDCI Scholarships/Awards Committee, chair (2005-present) & member 2004-present

IB/M Undergraduate Admissions Committee, member 2004-present

Teacher Education Faculty, member 2004-present

Rogers Educational Innovation Fund Committee, member 2018

Teacher Education Scholarship Committee, member 2018

EDCI Doctoral Program Committee, member 2017-2018

Neag Strategic Area Creativity and Innovation Subcommittee, member 2016-2018

Neag Strategic Area Advisory Committee 2015-2017

Neag Ph.D. Program Working Group 2016

Neag Strategic Area STEM Education Subcommittee, co-chair 2014-2016

Neag Teacher Education Redesign Steering Committee, member 2014-2016

Neag Teacher Education STEM Education Subcommittee, co-chair	2014-2016
Search Committee for Bilingual/Math Faculty, member	2013
EDCI Doctoral Handbook Review Committee, member	2013
Search Committee for Teacher Education Faculty (EPSY/EDCI), member	2012
EDCI Graduate Admissions Committee, chair	2012
Search Committee for Director of Teacher Education, member	2011
Neag Information Committee, member	2009-2010
Neag Teacher Education Policy Board, member	2006-2010
NCATE Accreditation Committee, Elementary Education	2008-2010
Technology Oversight Committee, Neag School of Education, member	2007-2008
Teachers for a New Era (TNE), Assessment Committee, member	2004-2008
Search Committee for Reading/Literacy Education Faculty, member	2007
Elementary Methods Working Group, member	2006
Search Committee for Clinical Faculty, member	2006
Field of Study Graduate Admissions Committee, member	2004-2006
Teacher Certification Program for College Graduates Admissions Committee, member	2004-2006
IB/M Technology Task Group, member	2004-2005

**Faculty Research & Working Groups:**

Elementary Education Program Coordination Working Group, member	2015-2017
Mathematics Education Research Group (MERG), member	2001-2017
Center for Research in Mathematics Education, member	2007-2015
Project PREPARE-ELLs Faculty Working Group, member	2009-2014
ELL Infusion Group, member	2006-2010
Master's Seminar Leaders' Working Group, member	2006-2007
Elementary Methods Working Group, member	2006

**Other Department, School and University Service**

Mentor for doctoral student in grant writing course	2018
CAEP Accreditation Elementary Program SPA (Specialized Professional Association) Committee, member	2015-present
Reviewer, Dean's Research Incentive Award, Neag School of Education	2016 & 2018
Reviewer, Center for Excellence in Teaching and Learning Outstanding Graduate Teaching Awards, University of Connecticut	2016
NCATE/CAEP Accreditation Elementary Education Program SPA (Specialized Professional Association), report writer	2013-2015
University Open House, faculty representative	2004-present
Undergraduate and Graduate Commencement, faculty participant	2004-present

Project PREPARE-ELLs Faculty Working Group, member	2009-2017
Mathematics Education Research Group (MERG), member	2001-2017
Center for Research in Mathematics Education, member	2007-2015
Commencement Marshall	2004, 2007, 2013

**Advisor:**

Advise 15-25 undergraduates in IB/M program each year	2004-present
Advise 8-15 master's and sixth-year students each year	2005-present
Served as major advisor for 2 Ph.D. students, as committee member for 9 Ph.D. students, and as reader (comps, proposals &/or dissertation) for 20 Ph.D. students	2006-present

**Ph.D. Dissertation Chair:**

Ruth Urbina-Lilback, Dissertation: <i>Advancing the Learning of Algebra for ALL: Case Studies of Teachers' Efforts Toward Equitable Math Teaching</i>	Spring 2018
Jennifer Lapp, Dissertation: <i>The Symbols are in the Music: An Investigation of Eighth Graders' Mathematics Connecticut Mastery Test Achievement and Musical Involvement</i>	Fall 2010

**Local and State Level Service**

<i>Connecticut Council for Leaders of Mathematics</i> , Executive Board member	2014-present
<i>Co-teaching and Math Discourse in Linguistically Diverse Classrooms</i> , plan and facilitate professional development for Windham Public School teachers related to co-teaching and math discourse.	2015-present
<i>Bridging Math Practices Project</i> , planned and facilitated mathematics education professional development for grades 2-12 public school teachers (Hartford, Manchester, and Mansfield school districts), June and August, 2014	2014
<i>Higher Education Focus Group on the Connecticut Core Standards</i> , May 12, 2014, participant	2014
<i>Connecticut State Department of Education</i> , Math and ELA Common Core Standards and Smarter Balance Assessments Meeting, January 4, 2013, Neag School of Education representative	2013
<i>Connecticut State Department of Education</i> , Elementary Test Standard Setting Committee, April 3, 2012, Neag School of Education representative	2012
<i>Connecticut State Department of Education</i> , Elementary Test Review Panel, November 7, 2011, Neag School of Education representative	2011
<i>Math Leadership Academy</i> , mathematics education professional development and work within public school districts (Hartford, East Hartford, Vernon, and Manchester).	2011-2012
<i>Glastonbury Public Schools</i> , ongoing work within district (2009-2010) and presentation to district Curriculum Council (May 2010) related to district initiatives supported by master's inquiry project	2009-2010
<i>Mathematics ACCESS Project</i> , mathematics education professional development for Hartford Public Schools teachers, bi-weekly school site visits	2009-2010
<i>CommPACT Schools</i> , consultation with Waterbury Public Schools related to mathematics program improvement; conference call, site visit, and collaborative planning with UConn colleagues	2009

<i>Mathematics ACCESS Project</i> , mathematics education professional development for Hartford Public Schools teachers, summer 2008 and weekly school site visits	2008-2009
<i>Mathematics Learning Discourse Project</i> , professional development for Hartford public school teachers, summer 2007 and weekly school site visits	2007-2008
<i>Mathematics and art</i> , presented workshops at CAMPY [Connecticut Association for Mathematically Precocious Youth] on Campus Conference, University of Connecticut, Storrs, CT	2005-2007

### National and International Service

Editorial Board, <i>Education in a Democracy: A Journal of the NNER</i>	2015-present
National Council of Teachers of Mathematics Research Conference: Served as session discussant for <i>The Smarter Balanced Assessment Consortium Mathematics Reasoning Project</i>	2014
American Educational Research Association Annual Conference, Special Interest Special Interest Group [SIG] RME – Research in Mathematics Education: Served as chair for <i>Research around Issues of Equity and in Equity-Sensitive Settings</i> session and served on review panel for 2014 Conference proposals.	2013-present
American Association of Colleges of Teacher Education [AACTE] “Day on the Hill” Event, Neag School of Education Representative	2013
Editorial Review Board, <i>Journal of Advanced Academics</i>	2008-2012
Advisory Board, <i>Project LIDRA: The language interaction and discourse research</i> , NSF Grant Proposal (unfunded). PIs: Stylianou, D. A. & Huerta, J. M., City College of New York	2009
Advisory Committee, <i>Developing inquiry teacher practices in studio-based learning for middle school science and mathematics</i> , NSF Grant proposal (unfunded). PIs: Brocato, K., Monson, C., Brenner, D., Franz, D., Prince, D., Mississippi State University	2008-2009
North American Chapter of the International Group for the Psychology of Mathematics Education – <i>Discourse Working Group</i> – Organizer, 2005 & 2006; Facilitator 2007	2005-2007
Participant, Carnegie Corporation of New York – <i>Adolescent Literacy Preservice Initiative Meeting</i> , New York, NY, September 6, 2006	2006

### Reviewer

<i>Journal for Research in Mathematics Education</i> (11 manuscripts reviewed)	2005-present
American Educational Research Association Annual Conference, Special Interest Group [SIG] RME – Research in Mathematics Education – Review panel for 2019 Annual Conference (8 conference proposals reviewed)	2018
<i>Education in a Democracy: A Journal of the NNER</i> (5 manuscripts reviewed)	2015-2017
<i>School Science and Mathematics</i> (6 manuscripts reviewed)	2010-2017
North American Chapter of the International Group for Psychology of Mathematics Education 2016 Annual Conference, Tucson, AZ (3 conference proposals reviewed)	2016
<i>American Educational Research Journal</i> (2 manuscripts reviewed)	2015-2016
National Council of Teachers of Mathematics, <i>New handbook for teaching and learning of mathematics</i> book chapter reviewer (1 chapter reviewed)	2015
American Educational Research Association Annual Conference, Special Interest Group [SIG] RME – Research in Mathematics Education – Review panel for 2014 Annual Conference (8 conference proposals reviewed)	2014

National Council of Teachers of Mathematics, <i>Lessons learned from research</i> book chapter reviewer – (2 chapters reviewed)	2013
American Educational Research Association Annual Conference, Special Group [SIG] RME – Research in Mathematics Education – Review panel for 2014 Annual Conference (10 conference proposals reviewed)	2013
<i>Educational Assessment</i> (1 manuscript reviewed)	2013
North American Chapter of the International Group for Psychology of Mathematics Education 2013 Annual Conference, Chicago, Illinois (4 conference full papers and 2 conference brief research reports reviewed)	2013
<i>Journal for Advanced Academics</i> (10 manuscripts reviewed)	2006-2011
<i>Journal of Teacher Education</i> (2 manuscripts reviewed)	2009-2011
<i>Educational Research and Evaluation</i> (1 manuscript reviewed)	2009
North American Chapter of the International Group for Psychology of Mathematics Education 2009 Annual Conference, Atlanta, Georgia (3 conference full papers reviewed)	2009
<i>Journal of Educational Psychology</i> (7 manuscripts reviewed)	2006-2009
<i>The Mathematics Teacher</i> (4 manuscripts reviewed)	2006-2009
American Educational Research Association Annual Conference, 2009, San Diego, CA: Research in Mathematics Education Special Interest Group (5 conference proposals reviewed)	2008
North American Chapter of the International Group for Psychology of Mathematics Education 2007 Annual Conference, Reno, Nevada (6 conference proposals reviewed)	2007
American Educational Research Association Annual Conference, 2008, New York, NY: Research in Mathematics Education Special Interest Group and Middle Level Education Research Special Interest Group (8 conference proposals reviewed)	2007
American Educational Research Association Annual Conference, 2007, Chicago, Illinois: Research in Mathematics Education Special Interest Group and Middle Level Education Research Special Interest Group (4 conference proposals reviewed)	2006
Kendall/Hunt Publishing Company, Mathematics Series Reviewer (2 textbooks reviewed)	2006-2007
North American Chapter of the International Group for Psychology of Mathematics Education 2006 Annual Conference, Mérida, Yucatán, Mexico (4 conference proposals reviewed)	2006
American Educational Research Association Annual Conference, 2006, San Francisco, CA: Division L (Educational Policy and Politics), Research in Mathematics Education Special Interest Group, and Middle Level Education Research Special Interest Group (6 conference proposals reviewed)	2005
North American Chapter of the International Group for Psychology of Mathematics Education 2005 Annual Conference, Roanoke, Virginia (4 conference proposals reviewed)	2005
IPSI-2005 [Internet, Processing, Systems, and Interdisciplinary (Research)] France/Spain Conferences (1 conference proposal reviewed)	2005

American Association of Colleges of Teacher Education [AACTE] (2013-2014)

School Science and Mathematics Association [SSMA] (2007-2015)

## **TEACHING CREDENTIALS**

**Connecticut Professional Educator Teaching Certificates:** Secondary Mathematics (7-12), Middle School (4-8), and Elementary (K-6)

**New York Teaching Certificates:** Mathematics (7-12), Social Studies (7-12), Art, and Elementary (N-6 with 7-9 Mathematics Extension)

**California Teaching Credentials:** Mathematics (preschool-12 and adult), Social Studies (preschool-12 and adult), and Multiple Subjects (preschool-12 and adult)
